

Certified Woman-Owned Small Business | Oncology Staffing Since 1994

Since 1994, Cancer CarePoint has partnered with the medical community to ensure the highest standards of patient care. Our proven ability to meet critical staffing needs efficiently has made us a trusted partner for short-term, long-term, and permanent oncology staffing.

We specialize in providing top-tier oncology professionals nationwide. Our services include contractual, temporary, temp-to-perm, and direct-hire placements for government agencies, private sector organizations, and commercial clients.

Core Competencies

Our core competency is strategic recruiting, making matches between client needs and qualified providers which has been demonstrated time and time again. This ability to satisfy critical placement goals and objectives effectively and efficiently has allowed Cancer CarePoint to become a go to firm for short term, long term and permanent recruitment.

We help cancer programs maintain access, continuity of care, treatment schedules, and operational stability when specialized roles are difficult to fill.
